

Escondido Cemetery Records

1883-1960

Oak Hill Cemetery

These Escondido cemetery records were compiled by staff of the Church of Jesus Christ of Latter-day Saints' San Diego Regional Family History Center. The San Diego Genealogical Society published the material with permission.

The Oak Hill Cemetery Association was formed in 1889 to establish a cemetery on thirty-eight acres donated by the Escondido Land & Town Company. Many of the nineteenth century markers still exist and include some made of cast metal. Most of the wooden markers were lost in a fire. The cemetery is still in operation.
