**December 1----December 8, 2019**

Do you want to go to Salt Lake City for research? Now's your chance!! Your adventure will include seven nights lodging at the Plaza Hotel (right next door to the Family History Library), a Monday night lecture by a professional genealogist, plus a pizza get-together meal. You will have a choice of your room accommodations - STANDARD or DELUXE – each a different price per person. Please look it over carefully. If you are interested in a private one hour consultation (\$70-\$80 per hour) please let me know and I will find a consultant for you. It is important for me to know if you are extending your stay at the hotel and for how long—the hotel and I both need this information ASAP.
